Mr. Sherman's bill taxes unimanufactured strips 30 cents and leaf 30 cents per pound in the farmer's fainds, with a further tax of five, ten and fifteen cents out ping chewing, smoking and other forms of the manufactured article, and \$10 a thousand on cigars. It requires the farmer annually on the last of August to return to the assessor a sworn statement of every agre of land planted, under penalty of \$300 per sere. He shall not remove it from his farm until the assessor has weighed, branded and marked it, and on the first day of the month after sale, is to make return and pay the tax.

Mr. Kasson's bill is the same as Mr. Sherman's in principle, taxing the leaf in the firmer's hands and the manufactured article in that of the manufacturer. He provides for the erection of bonded warehouses in all tobactor of growing districts. All these bills propose a tax of from twenty-five to thirty cents a pound on the leaf, which is about equal in amount to the total tax now levied on the manufactured article. These being the facts, let us see whether Congress, having passed one foolsh law taxing the manufactured article, are not now asked, by the two last bills to the congress in the facts, let us see whether Congress, having passed one foolsh law taxing the manufactured article, are not now asked, by the two last bills to the same of the congress in the facts, let us see whether Congress, having passed to the congress of the facts let us see whether Congress, having passed to the congress of the facts let us see whether Congress, having passed the congress of the congress of the congress of the facts let us see whether Congress, having passed to the congress of the congress of the facts let us see whether Congress, having passed to the congress of th
